## Pod™ Classic

A first-class  
sanitary waste disposal  
solution for women

# A stylish+ effective solution

## SaniPod™

**SaniPod™** is a revolutionary sanitary disposal system that answers the very sensitive question faced by women: how to dispose of sanitary products hygienically, responsibly and easily?

Traditional sanitary bins are often regarded as unhygienic, unsightly and difficult to operate. **SaniPod™** is the solution to this disposal dilemma. Visitors to a **SaniPod™** washroom are assured that they are visiting a healthy environment, in an establishment that cares for the wellbeing of their customers and staff.

The **SaniPod™** system combines designer style with flawless functionality and is available in white and black in two styles: **Pod™ Petite** and **Pod™ Classic** with a choice of touch-free and manual models.

## Pod™ Classic

The **Pod™ Classic** range is the original **SaniPod™** design that broke the mould in revolutionising sanitary waste disposal away from the traditional sanitary bin.

Available with designer wraps for added washroom flair and a total support system for efficient installation and service processes, **Pod™ Classic** is a complete sanitary waste disposal system with inspirational design inside and out.

# Inspirational design inside+out

Contemporary slim-line form complements all washroom décor.

Unique opening simplifies the unobstructed posting of waste. Minimises sight into the unit. Discourages disposal of general rubbish.

No modesty tray eliminates unsightly surfaces and potential trapping of sanitary waste. 100% capacity.

Compact wall-mounted design: greater utilisation of washroom space; ease of cleaning under and around unit.

Ergonomically accessible from both standing and sitting positions.

Discreet locking mechanism minimises tampering and spillages in cubicles.

No harmful sharp edges and no exposure to waste – protects cleaners when servicing.

No more toilet blockages or expensive plumbing call outs.

## Pod™ Classic service system

**Pod™ Classic** is supported by a complete service system designed to provide service efficiencies and streamlined installation procedures.

- Easy-to-use liners – for in cubicle/stall service.
- Racking for vehicles and warehouse storage – ideal for total exchange service companies.
- Installation templates – guaranteed perfect installation every time!

## Pod™ Classic liners

- A precise fit liner for a clean and tidy appearance – no unsightly over-wrap.
- Self closing liners provide a quick, easy and safe service process.
- d.w® environmentally-responsible "oxo-biodegradable" plastic will degrade naturally, leaving no fragments, no methane, and no harmful residues.
- No exposure to waste – total protection for cleaners.

## Pod™ Classic manual

An innovative alternative compared to traditional bins

- Easy to use finger-tip control
- Lifting ring positioned away from waste deposit opening – minimises user contact.
- Rotating lid allows access from any angle
- Pod™ Classic stand available for when wall mounting is not an option.
