WALL-MOUNTED WIPES DISPENSER

Providing premium protection and care for your workplace

In shared facilities, it's important to reduce cross-contamination and protect your staff and customers from the risks of poor surface hygiene.

It's easy to keep surfaces looking clean – but in today's environment it is more important to keep them hygienic too. Our handy WetWipe dispenser helps you do both.

- Stylish wall-mounted design
- Robust, re-fillable and recyclable
- Ideal to create a workplace sanitising station
- Hygiene in an instant - break the infection chain!
